THE UNIVERSITY MOTTO

Quaecumque vera ... "Whatever things are true"

THE UNIVERSITY COAT OF ARMS

In June 1994, His Excellency the Right Honourable Ramon John Hnatyshyn, Governor General of Canada, presented the University of Alberta with its Coat of Arms. The full Coat of Arms is displayed at ceremonial occasions such as Convocation, and is used by the Chancellor, the titular head of the University.

On the shield is a representation of the topography of Alberta rendered in the colors of the University. At the base is a prairie wheat field symbolizing Alberta's agricultural industry. The wavy gold line above suggests the hills and rivers of Alberta and, in particular, the setting of the University campus. The top of the shield is in gold and separated from the rest of the shield by a line suggesting the Rocky Mountains. The book of learning dominates the design.

On the crest is a Grand-Duc d'Amérique, or Great Horned Owl, the provincial bird and an accepted symbol of knowledge. The Pronghorn, taken from the Provincial Coat of Arms, and the golden bear, mascot of the University support the shield. Both wear collars of the University colors, as does the owl. At the base of the coat of arms is a grassy mound with wild roses, the floral emblem of Alberta with the University's motto: *Quaecumque vera* ("Whatever things are true").

Chancellor

Congratulations to the University of Alberta's class of 2015! Today is your day to celebrate the successful outcome of years of study, intellectual growth, and personal discovery. Wherever your next adventure may take you, be guided by the values that define the U of A. When our first president, Henry Marshall Tory, founded this university, he upheld two ideals: first, that knowledge should be for the "uplifting of the whole people," and second, that the pursuit of whatsoever things are true—quaecumque vera—is a lifelong task that leads to excellence and positive change.

Today you become alumni of the University of Alberta, one of Canada's leading post-secondary institutions. You join the more than 275,000 U of A alumni who have gone before you and played an extraordinary part in advancing their communities. Today, I congratulate you as you join their ranks. Follow their lead. Carry with you the ideals of your alma mater. And, with truth and integrity, use your particular passions, talents, skills, and education to uplift, build, and strengthen your communities, province, and nation.

David H. Turpin, CM, LLD, FRSC
President and Vice-Chancellor

On behalf of the Government of Alberta, I am delighted to welcome you to the 2015 fall convocation of the University of Alberta's graduating class.

As Nelson Mandela once said, "Education is the most powerful weapon which you can use to change the world." Your time here at the University of Alberta has prepared you to face both the challenges and exciting opportunities ahead. I know that the dedicated students who fill this room today will change our world tomorrow.

I hope today you celebrate the achievements and milestones of your educational career with your family, friends, classmates, and instructors, and thank those who have helped you along the way.

Our Traditions

THE UNIVERSITY MACE

The University of Alberta Mace was designed and crafted specifically for the University as a gift from Dr. Francis Phillip Galbraith, Chancellor of the University of Alberta from 1964 – 1970. It was presented by his son, Michael Galbraith, on behalf of his father on 26 May 1970.

Among its elements are: the Star of Saint Thomas Aquinas, the Patron Saint of Scholars; the Wild Rose of Alberta; the Maple Leaf; and the separate charges which make up the University's Emblem. The University motto encircles the staff.

The ceremonial stand for the Mace was donated in 1987 as a memorial gift by family and friends of Dr. Charles Malcolm Macleod, Chair of the Board of Governors 1950 – 1966.

The Mace is carried before the Chancellor, or Vice-Chancellor, in procession and rests on its stand in full view of the assembly during Convocation. Centuries ago the Mace was a symbol of authority over life and death. Today it represents power—but the power of knowledge and the importance of the University in the community.

UNIVERSITY OF ALBERTA CHEER SONG

*Ring out a cheer for our Alberta
A song of praise to Varsity.
For the splendour of our mountains
Our prairies green and gold.
Ranked beneath whose glowing colours,
Thy legions march enrolled.
Our memories will live forever
Beloved University.
We will fight for thee and cheer
And ever hold thine honour dear.
Our Alma Mater U of A
Green and gold! Quaecumque vera!
Guide us through each coming era,
Guide us on through battle gory
To a new and greater glory*

THE UNIVERSITY CEREMONIAL CHAIRS

The Chancellor's Chair was presented to the University of Alberta as a gift from the 1922 graduating class. It is made of solid oak with a padded leather back and seat. Above the padded-leather back is carved the University motto Quaecumque Vera together with the class year, 1922, and the University emblem.

In 1987, the family and friends of Dr. Charles Malcolm Macleod, Chair of the Board of Governors from 1950 to 1966, presented a memorial gift to the University of two additional chairs for use by the President and the Chair of the Board of Governors at Convocation.

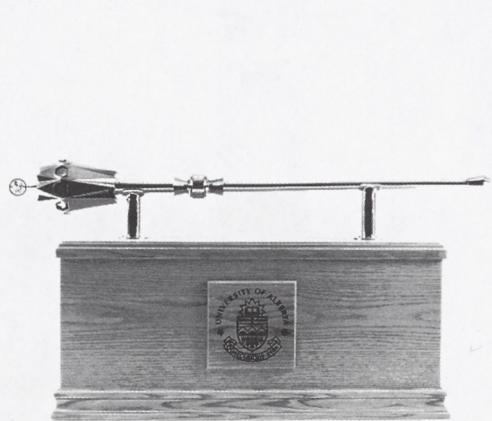

In 2006, a fourth chair was donated in memory and honor of Lois Elsa Hole, beloved Chancellor (1998 – 2000) and Lieutenant Governor (2000 – 2005), by Earl Evaniew, Sandra Kereliuk and their daughter Jennifer. This chair becomes part of the seating arrangements on stage, when the Lieutenant Governor or other high profile dignitaries attend the convocation ceremonies.

The University Flag has a gold background and bears the shield of the Coat of Arms.

Convocation

Today's ceremony stems from the medieval tradition. The procession of the guild of teachers, whose solemn assembly, or convocation, is the modern equivalent of the medieval magna congregatio of all Faculties. It is led by the Chancellor and the Chief Marshal carrying the mace, the symbol of the University's corporate authority. The academic gowns, hoods and caps declare, in their various designs and colors, the academic qualifications of the Faculty. The citations and presentations by the Faculty to the Chancellor attest to him and to society the degree of proficiency attained by the students of the University. There follows a visible and public act whereby the universitas magistrorum, acting through its Chancellor, confers upon the students the appropriate degree. It is the act, not a certificate, which constitutes the validity of the degree bestowed. The words "I admit you"

and the placing of the students' hands within the hands of the Chancellor and his associates, bind the students in the appropriate degree to the universitas magistrorum. The students thereafter bear for all time the mark of their association with this University. They have received what the University has been and presently is. Because they bear in themselves the promise of the future, they are what the University hopes to be. Despite its solemnity, convocation is a joyous occasion.

Academic dress at the University of Alberta generally follows the tradition of Cambridge University in the design of the gown, and that of Oxford University in the design of the hood. See Academic Dress on page 32 for a detailed description of ceremonial colors.

Conferring of Degrees

THE PRESENTATION

The Senior Dean presents the candidates for degrees with these words:

"Eminent Chancellor and President, on behalf of the Faculties, I present to you these scholars and ask that they be pledged and admitted to the degrees to which they are entitled."

THE PLEDGE

The President then addresses the candidates in these words:

"Do you promise faithfully to observe and loyally to maintain the statutes, customs, privileges, and liberties of this, your University? Do you solemnly promise to conduct yourself in all things loyally and faithfully to the honour of your University, the encouragement of learning, and the good of your country?"

Each candidate replies:

"These things I pledge myself to do."

THE ADMISSION

The Chancellor then addresses the candidates in these words:

"By virtue of the authority vested in me by the Legislature of this Province and with the consent of this University, I admit you to the degrees to which you are entitled, and invest you with all the powers, rights, and privileges pertaining to such degrees. I charge you to use them for the uplifting of the whole people; to inspire the human spirit; for all who believe, to serve your God; and to pursue more steadfastly whatsoever things are true."

The graduates remain in their places.

Honorary Degree Recipient

CONGRATULATIONS

The Honourable Lois Mitchell, CM, AOE Lieutenant Governor of Alberta

Lois Mitchell is an accomplished businesswoman and a proud, longstanding member of Alberta's dedicated corps of community volunteers. She was installed as the 18th Lieutenant Governor of Alberta on June 12, 2015.

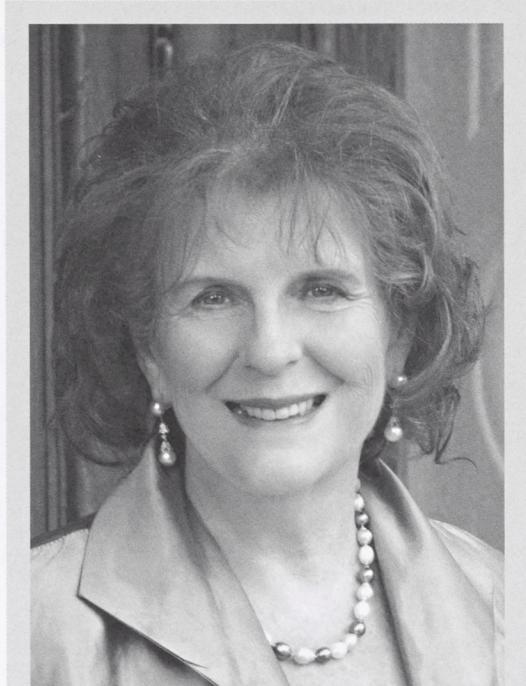

Lois Mitchell (née Boulding) was born and raised in Vancouver, British Columbia. A passion for sport in general, and for team sports in particular, led her to studies in Physical Education at the University of British Columbia and then a position teaching Grade 6 Phys Ed and English in Vancouver. In 1960, Lois met Calgarian Doug Mitchell who was studying law at UBC and playing with the BC Lions Football Club. The couple were married in 1961 and moved to Calgary the following year. The Mitchells settled in the city to build their careers and raise their four children.

Her Honour's skills as an entrepreneur first emerged in 1970 when she observed a lack of team apparel available to fellow football fans and began a business that grew to become a successful merchandising and sports marketing firm. She went on to create Amherst Consultants, a corporate training firm that merged her teaching background and business strengths. In 2007, she became a founding partner of Rainmaker Global Business Development, a Calgary firm dedicated to connecting companies with global business opportunities.

She has maintained a strong commitment to community service throughout her life. Her belief in the value of amateur sport prompted volunteer service to numerous provincial and national organizations, with a particular focus on hockey and women in sport. Her commitment to regional and national endeavours includes a 12-year tenure as Honourary Consul of Colombia for Alberta and Saskatchewan, contributions as a Governor of the Canadian Unity Council and duties as Co-Chair of the 2014 True Patriot Love dinner to support Canada's men and women in uniform.

Her interest in education led to service on the board of Canada World Youth and as Chair of the Advisory Board of the Latin American Research Centre at the University of Calgary. Her great love of music and the arts can be seen in past volunteer duties as Chair of the Calgary Philharmonic Orchestra, and as a board member of the Alberta Foundation for the Arts, the National Youth Orchestra and the American Symphony Orchestra League Council.

Her Honour is a Member of the Order of Canada and the Alberta Order of Excellence and a Dame of Justice of the Order of St. John. Her other honours include the Queen Elizabeth II Diamond Jubilee Medal and the Alberta Centennial Medal.

The University of Alberta Senate is donating the following volume to the Bruce Peel Special Collections Library to commemorate the awarding of an honorary degree to Lois Mitchell:

Juvenile Pastimes; or, Girls' and Boys' Book of Sports.
New Haven: S. Babcock, 1850.

This charming little chapbook contains descriptions of popular games for children, including playing ball, skipping rope, flying kites, and numerous other pastimes. Chapbooks are paper-covered printed booklets that were inexpensive to produce and therefore they could be readily purchased and enjoyed as popular literature. Today they are valued for their research potential as an important record of popular culture, but because they were not made to last for a long time, it is increasingly difficult to find chapbooks in very good or better condition. This particular copy is in fine condition with illustrated covers that look like they were printed yesterday, not 165 years ago. The interior pages are beautifully embellished with 17 woodcuts showing a variety of sports for girls and boys.

Congratulations Graduates

The list of candidates for degrees, certificates, and diplomas appearing herein is subject to such corrections, with respect to additions, deletions, and changes, as may be necessary. Honorary Degree Recipient

CONGRATULATIONS

Samantha Nutt

Samantha Nutt is an award-winning humanitarian and bestselling author. A medical doctor and the Founder and Executive Director of War Child Canada, Dr. Nutt has worked with children and their families at the frontline of many of the world's major crises – from Somalia to the Democratic Republic of Congo, Iraq to Afghanistan, and Sierra Leone to Darfur, Sudan.

A leading authority on current affairs, war, international aid and foreign policy, Dr. Nutt is one of the most recognized voices in the humanitarian arena. With a career that has spanned more than two decades and dozens of conflict zones, her international work has benefited hundreds of thousands of war-affected children globally.

She is a regular foreign affairs panelist on CBC's *The National*. Her written work has been published by *The Globe and Mail*, *The National Post*, *Maclean's Magazine*, *Reuters*, *The Ottawa Citizen* and *The Huffington Post*, among many others, and she has appeared in *Time Magazine*, *Chatelaine Magazine*, *More Magazine* and on *CTV National News*, *Global TV News*, *NBC Nightly News* and *BBC World News Service*.

Dr. Nutt's critically acclaimed debut book, entitled *Damned Nations: Greed, Guns, Armies and Aid*, was released in 2011 and was a number one national bestseller in both hardcover and paperback. *Damned Nations* is a bracing and uncompromising account of Dr. Nutt's work in some of the most devastated regions of the world.

Dr. Nutt was named one of Canada's 25 *Transformational Canadians* by *The Globe and Mail*, and has been recognized as a *Young Global Leader* by the World Economic Forum. *Time Magazine* has featured her as one of Canada's *Five Leading Activists*. In 2011, she was appointed to the Order of Canada for her contributions to improving the plight of young people in the world's worst conflict zones.

Samantha Nutt graduated summa cum laude from McMaster University, earned an MSc in Public Health with distinction from the University of London and holds a Fellowship in Community Medicine (FRCPC) from the Royal College of Physicians and Surgeons of Canada. She is further certified by the College of Family Practice and completed a sub specialization in women's health through the University of Toronto as a Women's Health Scholar.

Dr. Nutt is a staff physician at Women's College Hospital in Toronto and is an Assistant Professor of Medicine at the University of Toronto. She is the Founder of War Child USA, is a Senior Fellow at Massey College, University of Toronto and is on the board of the David Suzuki Foundation.

The University of Alberta Senate is donating the following volume to the Bruce Peel Special Collections Library to commemorate the awarding of an honorary degree to Dr. Samantha Nutt:

They Still Draw Pictures! With 60 Illustrations of Drawings Made by Spanish Children During the War. Intro. Aldous Huxley. New York: Spanish Child Welfare Association of America, 1938.

This book offers a poignant glimpse of the landscape of war as seen through the eyes of a child and sketched by the hands of numerous children. In his introduction, Aldous Huxley asserts that, unlike adults, most children have significant artistic talents and that the young artists represented in these pages have created "wonderfully expressive" and "painfully vivid" images which evoke both admiration and horror. This is one of a hundred copies of the first edition that were signed by Aldous Huxley. There is a printed sheet laid in which offers thanks to the purchaser of the book, seeks donations, and explains that "a million children like the little artists who made these pictures are on the hunger line in Spain. Homeless, fatherless, often motherless too, they are the innocent victims of war."

Congratulations Graduates

The list of candidates for degrees, certificates, and diplomas appearing herein is subject to such corrections, with respect to additions, deletions, and changes, as may be necessary.

The information as presented is current as of the program printing deadline. Graduates attending the ceremony are presented to the Chancellor alphabetically. The winner of the most prestigious award in each faculty, if attending, is presented first.

Honorary Degree Recipient

CONGRATULATIONS

Hugh J. Bolton

Hugh Bolton is a respected senior executive and influential business leader. He is one of Canada's most distinguished corporate directors, widely recognized among his peers and within financial, investment and governance circles.

Mr. Bolton is currently Chair of the Board of Directors of EPCOR Utilities Inc. He also serves on the Board of Directors of WestJet Airlines Ltd., the Corporate Oversight and Governance Advisory Board of the Chartered Professional Accountants of Canada, the Advisory Council of the Institute of Corporate Directors (Edmonton Chapter), and the Board of Directors of the Edmonton Downtown Academic & Cultural Centre Foundation.

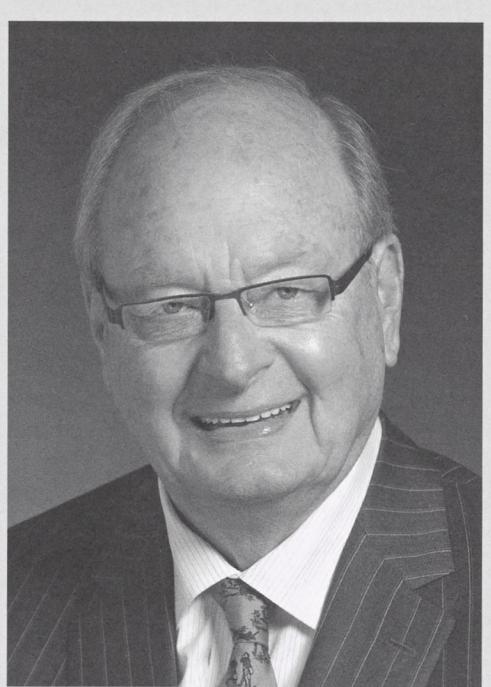

He recently completed long-standing tenures on the boards of a number of Canada's leading corporations, including Teck Resources Limited, TD Bank Financial Group, the Canadian National Railway Company and Matrikon Inc. He has been an active Corporate Director since retiring in 1998 after almost 40 years with Coopers & Lybrand (PricewaterhouseCoopers) and its predecessor firms. Mr. Bolton has considerable domestic and international experience and an extensive background in providing assistance to some of Canada's major multinational corporations. He completed a six-year term as the Chairman and Chief Executive Partner of Coopers & Lybrand Canada in 1997.

Mr. Bolton has received numerous citations recognizing his accomplishments within business and his profession, in addition to his contributions to the development of public policy. He was appointed to the Alberta Tax Review Committee and the Ontario Financial Review Commission by their respective provincial governments.

The Institute of Chartered Accountants of Alberta has distinguished Mr. Bolton with a Fellowship, a Distinguished Service Award and a Lifetime Achievement Award. Mr. Bolton has served as a member of the Institute's influential Audit Quality Working Group.

Mr. Bolton has made a special commitment to his alma mater, the University of Alberta, where he earned a Bachelor of Arts (Economics) in 1959. He has contributed extensively to the School of Business, where he served on its Business Advisory Council for 16 years, chaired its Campaign Cabinet – a major fundraising initiative that raised \$50 million, and was an Executive-in-Residence. Mr. Bolton is currently associated with the University of Alberta's Golden Bears Football, through a program that provides athletes with an academic support system.

He has also been active in his community, furthering not-for-profit organizations such as the Shock Trauma Air Rescue Society (STARS) and the Canadian Diabetes Association. Mr. Bolton was born and raised in Edmonton. He and his wife, Margot, have three adult children.

The University of Alberta Senate is donating the following volume to the Bruce Peel Special Collections Library to commemorate the awarding of an honorary degree to Mr. Hugh Bolton:

Frank Chapman Sharp and Philip G. Fox. *Business Ethics*. New York: D. Appleton-Century Company, 1937.

This copy from the first printing of the first edition of a pioneer book on business ethics discusses important moral questions in a competitive business world. From the jacket copy we learn that the book analyzes "ethical problems which are most common and most fundamental in the modern business world" and further, it attempts to answer crucial questions such as: "What constitutes fair service? What constitutes fair practice among competitors? What is a fair price? and What is a fair wage?" This copy was acquired from an established rare books dealer in London, England, where it stood out as a highly desirable book for a bibliophile because it was the only copy available in the world with the collectible dust jacket.

Congratulations Graduates

The list of candidates for degrees, certificates, and diplomas appearing herein is subject to such corrections, with respect to additions, deletions, and changes, as may be necessary.

The information as presented is current as of the program printing deadline. Graduates attending the ceremony are presented to the Chancellor alphabetically. The winner of the most prestigious award in each faculty, if attending, is presented first.

Welcome to the Alumni Association

CONGRATULATIONS, GRADUATE!

Your walk across the stage today completed your journey from student, to scholar, to alumnus. Welcome.

In 1915, a dozen grads first came together with a belief in their shared values and a desire to contribute to their community and their university. UAlberta alumni are now more than 260,000 strong, in over 140 countries.

Globally we have founded more than 70,000 organizations. A third of those have social justice, environmental and cultural missions. With annual revenues of \$348.5 billion, alumni-created organizations employ more than 1.5 million people and almost one in every five Albertans.

Your membership in this community starts today. Make the most of it by staying connected.

You can keep your student ualberta.ca email address. Make sure you update your contact information at alumrec@ualberta.ca, alumni.ualberta.ca, or by calling the Office of Alumni Relations.

Keeping your information current means you'll get exclusive access to the university's award-winning New Trail magazine and the new Thought Box e-magazine. You'll get party invitations and group ticket discounts through Alumni Insider. We can help you find ways to network, to volunteer, or to keep current with whatever interests you.

Follow us and your peers at twitter.com/UofA_alumni, on Facebook at UAlbertaAlumni, on LinkedIn University of Alberta Alumni, and on Instagram at UAlbertaAlumni. And remember it's all in one place at alumni.ualberta.ca

For the past 100 years, alumni from the University of Alberta have been doing great things. You are now a University of Alberta alumnus. Do Great Things.

Honorary Degree Recipient

CONGRATULATIONS

Jonathan Koon-shum Choi

In October 2015, a special convocation ceremony was held in Hong Kong to confer the honorary degree. Thank you to our host, the Consul General of Canada.

Mr. Jonathan Koon-shum Choi is chairman of the Sunwah Group and a respected business leader in Hong Kong whose business acumen is matched by his commitment to philanthropic initiatives, particularly in the fields of education and technological development in China. He has been recognized by the Hong Kong government, Chinese and foreign universities, and other organizations for his generosity and ongoing dedication to education. He has served as a member of the boards of a number of Chinese universities as well as the Arts Development Council of Hong Kong and the Science Museum Advisory Panel of the Hong Kong Home Affairs Bureau. Mr. Choi has been awarded the Justice of the Peace (2004), Bronze Bauhinia Star (2007) and Gold Bauhinia Star (2014) by the Government of Hong Kong for his efforts in educational improvement and promotion of economic ties between mainland China and Hong Kong.

In 1982, Mr. Choi was appointed the President of Sunwah, which has since grown to become one of the largest privately-held companies in China with more than 4,000 employees and over 100 subsidiaries. In 2008, he was elected as the youngest-ever Chairman of the Chinese General Chamber of Commerce. In this position, he led a delegation to Beijing to meet with then-President Hu Jintao and then-Vice President Xi Jinping to discuss regional economic development. He has held numerous distinguished positions including Chairman of the Small and Medium Enterprises Committee, Government of Hong Kong (2013-2014) and is a Standing Committee Member of the All-China Federation of Industry and Commerce.

Although his intellect and discipline have served him well as a businessman, Mr. Choi has also maintained a firm awareness of his ties to the community, which has driven his involvement in numerous charitable activities over the years. He and his family have donated over HK\$200 million (approximately US\$25 million) to charitable causes. He has also been deeply involved in the improvement of the education system in mainland China for more than 30 years. In the 1980s, he established the Sunwah Foundation to direct the company's charitable endeavors in education, technology, and the arts. In 2004, the foundation established the 3e International School in Beijing, which incorporates a Chinese-English bilingual curriculum that aims to prepare students for a globalized economy. He has also donated nearly US\$1.5 million to the Guangdong Sunwah Education Institute for the construction of educational facilities and approximately US\$3.7 million to the University of Macau Development Foundation.

Mr. Choi continues to be active in promoting trade collaborations and friendly relations between China and other countries. He has founded organizations for collaboration in information technology with India and Israel, and recently helped to establish the Hong Kong - Korea Business Council. He sits on the councils of a number of Chinese universities, including Fudan University, Nanjing University, Chinese University of Hong Kong, Hong Kong Polytechnic University, the Hong Kong University of Science and Technology, Jinan University, and Liaoning University.

The University of Alberta Senate is donating the following volume to the Bruce Peel Special Collections Library to commemorate the awarding of an honorary degree to
Mr. Jonathon Koon-shum Choi:

Samuel Wells Williams. *The Middle Kingdom: A Survey of the Geography, Government, Literature, Social Life, Arts, and History of the Chinese Empire and its Inhabitants.* 2 vols. New York: Charles Scribner's Sons, 1883.

Samuel Wells Williams (1812-1884) became one of the West's leading Sinologists after an accomplished life as a linguist and missionary in China for 43 years. He arrived as a young man at Canton in October 1833 to study Chinese language and culture, and his work as prolific author and lecturer on Chinese topics culminated in 1877 with his appointment as the inaugural Chair of Chinese Language and Literature in Yale College. In the course of his travels abroad, Dr. Williams learned a great deal about foreign trade with China and in 1844 he published his Chinese Commercial Guide, which included invaluable information for merchants and mariners about regulations, treaties, and tariffs. His later work on the "Middle Kingdom" was the definitive English-language book on China for decades after it was first published in 1848; it was re-issued in 1883 after a major revision.

Honorary Degree Recipient

CONGRATULATIONS

Chia-Ying Chao-Yeh

In October 2015, a special convocation ceremony was held in Tianjin, China to confer the honorary degree. Thank you to our host, Nankai University.

Chia-Ying Chao-Yeh, born in 1924 in Beijing, is a renowned Chinese-Canadian scholar of Chinese poetry and classical literature who has taught for more than seventy years and inspired many generations of students in Canada, China and around the world. Her teaching has had a profound influence on the research of Chinese classical literature, with many of her students becoming leading scholars and experts in the field. Since 1993, Professor Yeh has served as the Director of the Institute for Chinese Classical Culture at Nankai University, a partner of the University of Alberta. In 2014, she was named "The Most Influential Figure for Promoting Chinese Classics Abroad" by the Yuelu Academy of Classical Learning and the Phoenix TV network, one of the largest and most well-known Chinese language media networks in the world. She was also named the "Glory of China – Person of the Year 2013" was awarded one of the first "Lifetime Achievement Awards in Chinese Poetry" in 2008 and was elected "Fellow of the Royal Society of Canada" in 1991.

Born into a traditional family, she was initially not permitted to attend school. However, her grandfather allowed her to study Chinese characters and poetry at home. At the age of 11, she was enrolled at a local high school and began to write poetry under the guidance of her uncle. She attended Fu Jen Catholic University from 1941 – 1945 in the Department of Chinese Language, with a major in Chinese Classical Literature. At Fu Jen, she studied under Professor Gu Sui, a notable scholar in Chinese classical literature. This was a formative experience that intensified her dedication to her studies in Chinese literature. Yeh's personal story exemplifies the virtues of *ci* poetry, which according to her is "born out of the need to express the difficulties of life" and "restrained by form, but resilient in spirit." She overcame numerous struggles as she pursued her studies in Chinese classical literature, including her family's initial resistance to her schooling, a brief period of political imprisonment in Taiwan, and the loss of her eldest daughter and son-in-law. Throughout her career, Yeh has served as Professor of Chinese Literature at the University of British Columbia (1969-1989), completed visiting Professorships at Harvard University and the University of Michigan (1960s), and has taught at the National Taiwan University (1954), Tamkang University (1950s) and Fu Jen Catholic University (1950s). She is also a member of the Central Research Institute of Culture and History in China.

Professor Yeh has acquired a remarkable reputation within China and abroad. Her achievements have been acknowledged by groups and individuals ranging from the Royal Society of Canada to former Chinese Premier Wen Jiabao. She has written dozens of books that discuss and review the Chinese classical literature, including a book published in English: *Studies in Chinese Poetry*. Her Chinese-language publications include *A Collection of Jialing's Shi and Ci Manuscript*, *A Modern View of Chinese Ci Poetry*, *Essays on Ci Poetry by Famous Poets in the Qing Dynasty*, and *A Discussion of Du Fu's Eight Poems Inspired by Autumn*. She continues to be driven by her love for the field of Chinese classical literature, frequently travelling between China and Canada to conduct lectures and speak to students.

The University of Alberta Senate is donating the following volume to the Bruce Peel Special Collections Library to commemorate the awarding of an honorary degree to Professor Chia-Ying Chao-Yeh:

Jan Tschichold, ed. *Chinese Poetry Paper by the Master of the Ten Bamboo Hall*. Basle, Switzerland: Holbein Publishing, 1948.

In the late Ming-early Qing dynasty, Hu Zhengyan, proprietor of the publishing house called Ten Bamboo Studio, was a versatile artist, a skilled calligrapher, and a master printer. His *Shizhuzhai shuhua pu* ("A Manual of Calligraphy and Painting from the Ten Bamboo Studio") showcases his pioneering work in multicolour woodblock printing, while his *Shizhuzhai jianpu* ("Ten Bamboo Studio's Decorative Letter Paper") showcases the gorgeous ornamented paper that is traditionally used in China to complement beautiful poetry. The master and his associates worked with the idea that "painting and poetry are two aspects of the same thing". The editor of the facsimile edition, Jan Tschichold, was a leading typographer and a prolific writer, one whose work had a profound impact on twentieth-century design and type. Tschichold produced this beautiful reprint to celebrate the ornamental papers which he considered to be "a unique gem amongst all that is known to us of the graphic arts throughout the entire world".

Academic Dress

All undergraduate and master's degree gowns are the customary Cambridge shape, i.e., a gown of black material falling below the knee with full sleeves cut to the elbow and terminating in a point.

Hoods are made in the Oxford pattern of spruce green material. The Bachelor's hood has a border three inches wide of the color distinctive of the Faculty as noted below. The Masters' hood has a full lining of the color distinctive of the Faculty also noted below. Mortarboards are the standard black trencher shape with black tassels, which are worn forward and to the left.

Doctorate Degrees

'Doctors' gowns (PhD, DMus, and EdD) conform to the Intercollegiate Code in design. They are made of black material and the velvet trim on the sleeves is Philosophy Blue for the PhD and DMus, and Education Light Blue for the EdD. Doctors' hoods conform to the Intercollegiate Code in shape, size, and color. They are made of black material to match the gown, and have a full lining of gold satin with a six-inch green satin chevron. The velvet trim distinguishes the two degrees and matches the velvet trim on the gown's sleeves. There is a narrow green

piping where the gold lining joins the black material. Mortarboards are the standard black trencher shape with black tassels, which are worn forward and to the left.

Honorary Doctorates

Honorary Doctors of Laws (LLD), Letters (DLitt), and Science (DSc) wear a scarlet robe faced with white silk. Hoods are made in the Cambridge form of scarlet silk with a full lining of white velvet. Caps are black velvet with a gold tassel.

Je te Retrouve - I Remember You

Music and lyrics by France Levasseur-Ouimet Ph.D. Translation by France Levasseur-Ouimet and Laurier Fagnan
Bilingual version as it is actually sung (follow bold text). Gray text is translation of what is being sung.

French (1st verse and refrain, bridge and last refrain)

1. *Quand je pense a d'où je viens
A cette route qui m'a conduit a qui je suis
Quand je pense aux jours passés
Ton nom me vient comme un
refrain que j'aime chanter
Quand je pense a tous ces gens
qui ont laisse un coin d'ciel bleu
au fond de moi*

Refrain

*Je te retrouve, je te retrouve
Tu es les rêves que j'invente
Tu es la musique que je chante
Tu es la force qui me soutient
Je te retrouve, je te retrouve
Tu es les mots que je compose
Tu es les gestes que je pose
Tu es la route qui m'a conduit
d'hier à demain,
d'hier à demain*

2. *Quand je retourne chez moi*

*Par habitude je refais tous les mêmes pas
Quand je marche dans les rues
J'entends des voix qui font écho au fond de moi
Quand je pense à cette langue
Qui me raconte, qui me récite et qui me dit*

Refrain

*Je te retrouve, je te retrouve
Tu es les rêves que j'invente
Tu es la musique que je chante
Tu es la force qui me soutient
Je te retrouve, je te retrouve
Tu es les mots que je compose
Tu es les gestes que je pose
Tu es la route qui m'a conduit
d'hier à demain, d'hier à demain*

Bridge

*Tu es ma jeunesse
Tu es mes racines
Tu es mon histoire*

Dernier refrain (deuxième partie seulement)

*Je te retrouve, je te retrouve
Tu es la source qui m'a nourri
Tu es la main qui m'a petri
Tu es la route qui m'a conduit
d'hier à demain
d'hier à demain*

English (2nd verse and 2nd refrain)

1. *When I think of where I come from
Of the road that has led me to who I am
When I think of days gone by
Your name comes to me like a melody
that I want to sing
When I think of all the people
Who have left a piece of blue sky
deep inside of me.*

Refrain

*I remember you, I remember you
You are the source of my dreams
You are the music that I sing
You are the strength that sustains me
I remember you, I remember you
You are the words that I compose
You are the source of my every gesture
You are the road that has lead me
From yesterday to tomorrow
From yesterday to tomorrow*

2. *You have made me who I am*

*Empowered me to seek and learn and understand
You have taught me how to dream
To value hope, to search for truth and honesty
Memories of youth and friends are like a song
That warms my heart and never ends*

Refrain

*I hear your name and I remember you
And all the years that have gone by
Cannot erase the sense of pride
That lingers deep within my soul.
I hear your name and I remember you
The words of those who showed the way
Revealed the course we'd have to stay
To build tomorrow from today
And all our dreams will carry on*

Bridge

*You are my youth
You are my roots
You are my history*

Last refrain

*I remember you, I remember you
You are the source that has nourished me
You are the hand that has molded me
You are the road that has led me
From yesterday to tomorrow
From yesterday to tomorrow*
